

Case 2007-00134,

I believe that Kentucky American Water's proposed  
Cool 3 on the Kentucky River to Newtown Pike in Fayette  
is the least cost solution to the water needs of Central Kentucky.  
I do not believe that a private for-profit company should  
be responsible for the destruction of my property or my neighbor's

citizens of Central Kentucky deserve a long-term solution to  
the problems. Utilization of a larger water body, such as the Ohio  
River, along existing utility corridors makes the most sense  
environmentally, and aesthetically.

Comments: I hope you will pray about this!  
solution is for people to hurt so that  
that we must be more conservative,  
and D. Rome muddled!
